10 & Under Camp

Red Ball: Ages 4–7

This camp incorporates a progressive approach to children’s tennis based upon the USTA’s proven format. Modified courts and equipment (36-foot court with smaller tennis nets) assist children in building confidence in their game, allowing them to begin to rally more quickly and play points. We work on balance, coordination, movement and, most

importantly, LOTS OF FUN!

Each camp week is filled with lots of great engaging activities, including

Director’s stroke-of-the-day demos, instructional classes/drills, point play, and weekly fitness.

JD Camp / TTP Camp

Ages 8 & Up

NRRC’s JD camp is for the low to intermediate player. Orange (60-foot court), Green (to develop consistency in order to construct a point) and Yellow balls will be used based on the camper’s level. Our JD Camp will include challenging drills and fun-filled tennis games designed to teach and help players appreciate the sport of a lifetime!

JD camp highlights include the Director’s demo stroke of the day, team color war, target hits, team competitions (Davis Cup and Federation Cup), point play, “Around the World,” and TTP preparation.

For the more advanced tournament player, our TTP camp focuses on strategy training that will help develop and sharpen on-court tactics through simulated match situations, problem solving, and decision making. We will prepare our campers for “match play pressure” to better understand competition and performance. It’s all about hard work, willingness, and focus!
